The board game layout for "The Baseball Game" is a 10x10 grid. The central field is a diamond shape with bases 1B, 2B, 3B, and HP. A scoreboard at the top shows runs, hits, and errors (R, H, B, S) for both teams. A central box contains a table of game events with icons, probabilities, and outcomes. The board is surrounded by a circular boundary with a 400m scale. The game is played with a ball and a bat, and the player's position is marked by a green dot.
